Additional Experiences

Loro Piana Knit Design Award Milan, Italy
Represented Shenkar in the International Knitting Competition for Students (3rd Place) 2021-2022

- Collaborated closely with a fashion design student to co-create a unique and innovative knitted textile collection and jacket for the competition, seamlessly merging original design concepts with technical expertise to bring our vision to life.
- Demonstrated strong leadership skills by taking charge of the project from inception to completion, including overseeing and developing over 20 knitwear swatches, executing a final garment, and producing a professional on-location photoshoot.
- Successfully balanced the demands of the competition alongside rigorous academic studies, showcasing exceptional time management and multitasking abilities
- Final garment was featured together with the other finalists' projects in Vogue Italia, Sep 2022.

Military Service Israel
Service as a social worker 2014-2016

- Collaborated effectively with interdisciplinary teams, including psychologists and case managers to implement comprehensive treatment plans for soldiers.
- Thrived in a fast-paced and demanding environment, managing a caseload of 100 soldiers while consistently meeting deadlines and maintaining the highest standards of care.
- Cultivated relationships with diverse populations. Leveraged creative problem-solving skills and resourcefulness to overcome challenges and provide innovative solutions within limited resources

Meitzar Israel
